WORK EXPERIENCE

LEE & ASSOCIATES, INC., Austin, TX

January 2005 – January 2009

Planner/LEED Accredited Professional

Residential land planning for multi-family projects located throughout the country. Project development includes yield studies, feasibility study analysis, city and county regulation studies, conceptual to preliminary site plan design, and landscape construction documents. Concentrated areas of planning include medium density, student and conventional apartment homes, and town home layouts. Since 2005 designed over 150 projects yielding a total of roughly 45,000 units.

LAND STRATEGIES, INC., Austin, TX

August 2000 – January 2005

Associate Landscape Architect/Graphic Design Manager

Involved in landscape/hardscape design and construction drawings for multi-family, residential, commercial and retail sites. Responsible for all hand graphics as well as most computer graphics using Photoshop and Auto CAD.

HQ AIR FORCE CENTER FOR ENVIRONMENTAL EXCELLENCE, Brooks AFB, TX

Summer 1998

Landscape Architect Intern

AutoCAD Drafting

Participated in contract source selection process, reviewed and edited the Air Force Landscape Design Guide, developed graphics for various design studies, and was a member of Assistance Teams to Travis AFB, CA, Robbins AFB, GA, and Andrews AFB, MD in which he analyzed and developed site plans for specific functional areas.

EDUCATION

- Texas A&M University – Bachelor Landscape Architecture - August 2000
- Leadership in Energy and Environmental Design (LEED) Accreditation Professional for New Construction - August 2008
